Item 8.01 Other Events.

As previously reported, Gulf Island Shipyards, LLC (“GIS”), a subsidiary of Gulf Island Fabrication, Inc., is engaged in a lawsuit with a customer relating to the construction of two multi-purpose supply vessels. On January 31, 2023, the district court granted the customer’s motions for partial summary judgment dismissing the claims by GIS that the customer had wrongfully terminated the vessel construction contracts.

GIS disagrees with the court’s decision and intends to seek immediate review of the ruling by the appellate courts. Absent a stay of the ruling, the trial scheduled for March 6, 2023, will proceed to resolve the remaining issues in the case, including claims for damages that each party has made against the other.
