Item 3. Source and Amount of Funds or Other Consideration.

As background, Mr. A. Laborde was a founder of Gulf Island. As such, he had a significant ownership stake in Gulf Island prior to its initial public offering in 1997. As reported in the Original Schedule 13D, on January 2, 2002, Mr. A. Laborde organized Starboard for purposes of establishing a private holding company for himself, his wife, and their five children in connection with his estate planning and in connection therewith he contributed 1,524,700 shares of Gulf Island common stock to Starboard, which was the substantial majority of his ownership interest in Gulf Island. Also as reported in the Original Schedule 13D, 600,000 of those shares were transferred from Starboard to The Almar Foundation (the "Foundation") in 2005.

Currently, Starboard beneficially owns 884,700 shares of Gulf Island common stock, which represents approximately 6.1% of the outstanding shares of Gulf Island common stock. Additionally, All Aboard Development Corporation ("All Aboard"), a privately-held independent oil and gas exploration and production company and another Laborde family company, beneficially owns 20,000 shares of Gulf Island common stock and the Foundation beneficially owns 100,000 shares of Gulf Island common stock. In addition to being a manager of Starboard, each of the Managers is a trustee of the Foundation and a director of All Aboard.

On June 6, 2014, Mr. A. Laborde died and was survived by the Managers. Mr. A. Laborde's estate (the "Estate") now holds 14,650 shares of Gulf Island common stock which were owned by Mr. A. Laborde at his death, and the Managers are the co-executors of the Estate. In addition, the Estate holds a 33.93% interest in Starboard and a 49.95% equity interest in Overboard Holdings, L.L.C. ("Overboard"), the parent company of All Aboard. With respect to Starboard, each of the Managers directly owns a 0.2% interest and the remaining 65.07% interest is owned by various trusts of which the Managers are either both principal and income beneficiaries or are only income beneficiaries with their children as the principal beneficiaries. With respect to Overboard, the remaining 50.05% equity interest is owned 0.1% by Mr. John P. Laborde and 49.95% by various trusts of which the Managers are either both principal and income beneficiaries or are only income beneficiaries with their children as the principal beneficiaries.

Item 4. Purpose of Transaction.

As of the date of this filing, neither Starboard nor any of the Managers have any plans or proposals that would relate to or would result in any of the actions referred to in items (a) through (j) of Item 4 of Schedule 13D as currently promulgated by the Securities and Exchange Commission (the "SEC"), specifically: (a) the acquisition of securities of Gulf Island or the disposition of securities of Gulf Island; (b) an extraordinary corporate transaction, such as a merger, reorganization, or liquidation, involving Gulf Island or any of its subsidiaries; (c) a sale or transfer of a material amount of assets of Gulf Island or any of its subsidiaries; (d) any change in the present board of directors or management of Gulf Island, including any plans or proposals to change the number or term of directors or to fill any existing vacancies on the board; (e) any material change in the present capitalization or dividend policy of Gulf Island; (f) any other material change in Gulf Island's business or corporate structure; (g) changes in Gulf Island's charter, by-laws, or instruments corresponding thereto or other actions that may impede the acquisition of control of Gulf Island by any person; (h) causing any change in the trading market of any class of securities of Gulf Island; (i) a class of equity securities of Gulf Island becoming eligible for termination of registration pursuant to section 12(g)(4) of the Securities Exchange Act of 1934; or (j) any action similar to any of those enumerated above. Starboard does, however, reserve the right to adopt such plans or proposals in the future subject to compliance with applicable regulatory requirements.

Mr. John P. Laborde is a member of Gulf Island's board of directors. In the course of performing his duties for Gulf Island, Mr. John P. Laborde may discuss one or more of the matters enumerated above with the directors of Gulf Island or Gulf Island's management or may formulate a plan or proposal relating to one or more of the matters enumerated above.
